Section 10.1 : Parabola

Conic sections :   circle
                    ellipse
                    parabola
                    hyperbola

parabola :   (geometric definition)

- the set of all points in a plane
  equidistant from a fixed line (the directrix)
  and a fixed point (the focus)
